

INSTALLATION of OUTBOARD POWER TRIM KIT A-45194A13

Instruction sheet No. **C-90-58201 (REV-1-12/71)**, which is included in Power Trim Kit **A-45194A13**, contains an error in the installation of the Power Trim control panel on units packaged prior to date code Mar. 3, 1972, stamped on the carton.

DO NOT use Template **C-90-48437**, as stated in instruction No. 1 under "Control Panel Installation and Wiring Connections", Page 3. This template does not have the proper configuration for the control panel. Instead, use Template **C-90-55777**, shown below.
