Service and Repair of Electrical Test Equipment

Notice
This bulletin replaces MerCruiser Service Bulletin 1997-13 and 2003-14.

Test Equipment

Electrical test equipment in need of service repair and replacement parts must be sent to the vendor or repair facility. Any electrical test equipment received at Mercury Marine in Fond du Lac will be returned to the sender. Contact the vendor or repair facility before shipping the unit to obtain shipping, estimate, and repair details. Addresses and phone numbers follow.
