Engine numbers on 4-, 5- and 6-cylinder VOLKSWAGEN Marine boat engines

You will find the engine numbers of the 4- and 5-cylinder engines from VOLKSWAGEN Marine on the toothed belt cover. (see Fig. 1 and Fig. 2).

The engine numbers of the 4-, 5- and 6-cylinder engines from VOLKSWAGEN Marine always start with three letters (e.g. ANH, BCU) followed by a six-digit cipher code.

At the 6-cylinder engines you will find the engine number on the charge air cooler (see Fig.3 and Fig. 4).
