Wire Harness Repair Kits—14 Pin

Models Affected

Models Covered	Serial Number
All 14-pin wire harness connectors	N/A

Scope

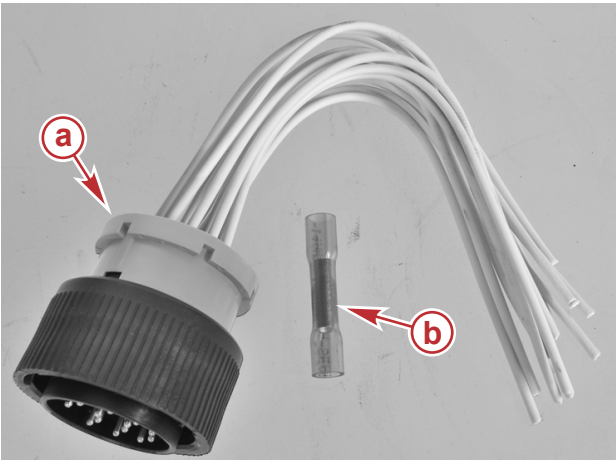

Worldwide

Situation

This service bulletin releases two new 14-pin (both male and female) wiring harness repair kits. These kits are to be used for the warranty repair of the 14-pin connectors used on the wiring harness and various extension harnesses. These kits are intended to eliminate the unnecessary replacement of the helm-to-engine wiring harnesses and are an economical option for nonwarrantable repairs.

NOTE: *Installation instructions are included with each harness repair kit.*

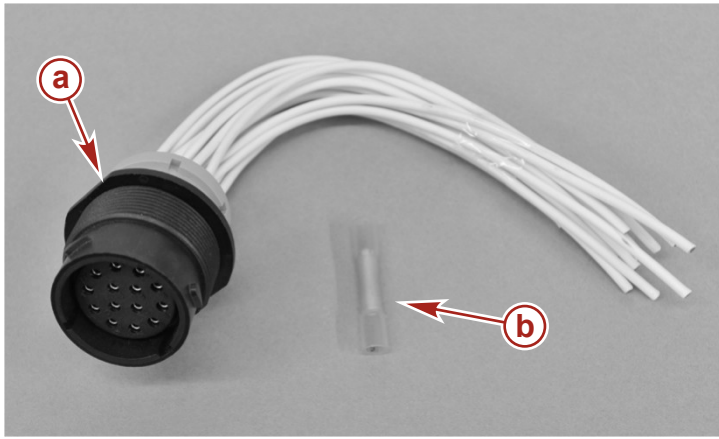

IMPORTANT: Refer to Mercury MerCruiser Service Bulletin 2012-06 or OEM Service Bulletin 2012-05 for additional engine wiring harness repair kits.
