HI-PERFORMANCE 900 SC CORROSION WARRANTY

MODELS AFFECTED

1998 900 SC Hi-Performance engine.

WARRANTY

The 900 SC engine is a highly sophisticated engine which contains aluminum cylinder heads and an aluminum intercooler. Special care is required after use in salt water. The engine will require flushing after each use to help control corrosion.

IMPORTANT: The 900 SC engine package does not qualify for the MerCruiser 3- year corrosion warranty.
